0815-0910 55 min P1. Surgical Innovation: Where is Technology taking us? 0815-0900 45 min Speaker: S. Dutta - USA 0900-0910 10 min Questions and Answers			
Al Mayassa Theatre		Auditorium 2	
Auditorium 1			
0915-1015 60 min	A1: An Overview of Clinical Diaphragmatic Hernia : Moderator K. Lally - USA	0915-1000	A2: Pediatric Surgical Complications Moderator: J. Baratella Brazil
0915-0930 15 min	An Update on CDH: Presenter: K. Lally - USA	0915-0925	Surgical complications in omphaloceles and gastroschisis. Presenter: J.Svetliza (Argentina)
0930-0945 15 min	Management of CDH in a higher income country. Presenter: F. Morino-Italy	0925-0935	Surgical complications in common urologic diseases - - Lisleux Eyer de Jesus (BRA)
0945-1000 15 min	Management of CDH in a resource-constrained country. Presenter: K. Mahmud - Bangladesh	0935-0945	Complications with endoscopy surgery- S. Shehata Egypt
1000-1015 15 min	Discussion	0945-1000	Discussion
1015-1045 30 min	A3: Inguinal Hernia and Undescended Testicle: Moderator/Presenter: S. Shehata - Egypt; D. Patkowski Poland	1000-1045	OA1: Top Oral Abstracts General Surgery - Moderator: M. Schwartz
1015-1030 15 min		1000-1015	"Is the TIP Repair indicated to Repair all cases of Distal Hypospadias without Ventral Curvature?" Presenter: W. Snodgrass - USA
1030-1045 15 min	Do we need to repair the deep ring in a large hernia: Panel	1015-1030	"Is the TIP Repair indicated to Repair all cases of Distal Hypospadias without Ventral Curvature?" Presenter: W. Snodgrass - USA
1045-1100 15 min	Coffee Break	1030-1045	Discussion
1100-1145 45 min	A3: Inguinal Hernia and Undescended Testicle: Moderator/Presenter: S. Shehata - Egypt continued Do we need to ligate the hernia sac in all cases? Do we need to ligate the hernia sac in all cases? Treatment of sliding hernia PIRS technique Video: D. Patkowski-Poland Purse string techniques vs disconnection Sac Inversion Techniques Which cases are indicated for lap repair? What is your choice for adolescent inguinal hernia	1100-1145	OA2: Top Fetal and Neonatal Surgery Oral Abstracts: Moderator: M. Ali - Qatar
1145-1200 15 min	Prayer Time	1100-1115	U4: Panel 2 on Distal Hypospadias: Moderator: L. Eyer de Jesus-Brazil
1200-1215 15 min	Lifetime Achievement Award: Heinz Rhoder and J.L. Pippi Salle (Presenter: D Sigalet and A Numanoglu)	1115-1130	"Technical Details to Optimize Outcomes in Distal Inlay Graft" Presenter: J. L. Pippi Salle
1215-1315 60 min	L1. PS. Lunch and Poster Rounds/Video Posters (12 Groups Day 1/10 poster/group: n = 120 posters/ 6 video poster) see Abstract tab for moderators/groups	1130-1145	Discussion
1315-1415 60 min	A4. Challenges & Controversies in Pediatric MIS: Moderator: S.Rothberg- USA	1315-1415	A5: Utility of Guidelines for Pediatric Surgery: Moderator? Presenter: Pramod Puligandla- Canada
1315-1330 15 min	Presenter: A. Zarroug - Qatar	1315-1325	US: DEBATE: Bladder Exstrophy; Staged or Complete Approach? Moderator: P. G. Ransley - UK
1330-1340 15 min	Presenter: KK Wong - Hong Kong	1325-1335	Pro-Staged: Presenter: I. Mushtaq - UK
1340-1350 15 min	Presenter: D Kravarusic - Tel Aviv	1335-1345	Pro-Complete: Presenter: A. Shukla - USA
1400-1415 15 min	Discussion	1415-1445	OA3: General Surgery and Basic Science Top Oral Abstracts: Moderator: I. Sukhotnik
1400-1445 45 min	A6: Future of Pediatric Surgical Robotic Care: Moderator: M. Haddad - London	1345-1430	U6: Panel on Epispadias Repair in Males: Moderator: A. EIGHoneimi - France
1400-1415 15 min	Presenter: A. Zarroug - Qatar	1345-1352	Cantwell-Ransley Repair: Presenter: G. Manzoni - Italy
1415-1430 15 min	Presenter: M. Haddad - London	1352-1359	Kelly Technique: Presenter: M. D. Leclair - France
1430-1445 15 min	Discussion	1359-1406	Mitchell Repair: Presenter: S. Tekgul- Turkey
		1406-1413	Pippi Salle Approach: Video: Presenter: - J. L. Pippi Salle - Qatar
		1413-1430	Discussion
		1430-1500	U7: Panel on Hydronephrosis: Moderator: P. Kwanjin- S. Korea
1500-1600 60 min	P2. Keynote: Boix-Ochoa Lecture - Post Delivery Care: Shifting the Paradigm with prolonged Ex Uterine Ecmo and Respiratory Support Presenter: Ron Hirschl-USA Questions and Answers	1430-1440	Pitfalls in the investigation of Antenatal Hydronephrosis: Presenter: E. Wehbi - USA
1600-1615 15 min	Coffee Break	1440-1450	Pyeloplasty; Technical Pearls to Improve Outcomes: Presenter: P.J. Lopez - Chile
1615-1715 60 min	A7: What is new with Tracheomalacia and Bronchomalacia? Moderator/Presenter - R. Jennings-USA	1450-1500	Discussion
		1500-1530	UA1: Abstract Session 1: Moderator Y. El Hout - Lebanon
		1530-1600	UA2: Abstract Session 2: Moderator Y. Huang - China
		1600-1615	Coffee Break
		1615-1700	U8: Panel on "Management of Ureterocele" Moderator: L. Guerra - Canada
		1615-1622	Puncture of Ureterocele; Technique & Outcomes: Presenter: H. Buson - Brazil
		1622-1629	Management of VUR Associated to Ureterocele: Presenter: L. Eyer de Jesus - Brazil
		1629-1636	Upper Tract Approach for Initial Management of Ureterocele: Presenter: I. Mushtaq - UK
		1636-1643	Open Lower Tract Approach for Initial Management of Ureterocele: Presenter: T. Rosito - Brazil
		1643-1700	Discussion
1715-1800 45 min	A8. My Worst Complication and How to Get Out of Trouble: Moderators: Mikko Pakarinen - Finland & KK Wong - Hong Kong	1715-1800	OA5: Top Oral Abstracts Thoracic Surgery: Moderator: A. Yagmurlu - Turkey
1715-1725 5 min	Presenter: T. Banu- Bangladesh	1700-1800	U9: My Worst Complication: Moderator: P. G. Ransley - UK
1725-1735 5 min	Presenter: A. Zaki - Egypt		Presenter: J. M. Escala Chile
1735-1745 5 min	Presenter: D. Patrowski - Poland		Presenter: N. Macedo - Brazil
1745-1750 5 min	Presenter: K. Lally - USA		Presenter: P. Reddy - USA
1750-1800 10 min	Discussion		Presenter: F. Chen - China
			Presenter: R. De Castro - Italy
1800-1900 60 min	Welcome Reception: Sidra Grounds 'D Tower Gardens'		
1930-2130	President's Reception (By invitation)		

6th World Congress of Pediatric Surgery Doha, Qatar Day 3 : Nov 3

				Auditorium 1				
8:00-0900	60 mins	P4. Innovations and Competence in Education and Training <i>Presenters: A. Numanoglu S. Africa and U. Rolle Germany</i>		0800-0900	U21: Panel on Bowel and Bladder Dysfunction (BBD): Moderator: C. Cooper USA			
	0900-0850			0800-0815	Diagnosis and Treatment of BBD : Presenter: P. Hoebecke - Belgium			
	50			0815-0830	Update in the Understanding and Management of Primary Monosymptomatic Nocturnal Enuresis. Presenter: C.K. Yeung - Hong			
	0850-0900			0830-0840	Urotherapy for BBD: Presenter: U. Barroso - Brazil			
		Al Mayassa Theatre		0840-0850	What if Urotherapy Fails? Is there a Role for Surgery? Presenter: T. P. V. M. de Jong - Netherlands			
				0850-0900	Discussion			
		Auditorium 2						
0900-1000	60 min	A19: Update on Pediatric Trauma: Moderator: S. Van As - S. Africa		0900-1000	A20: Developing a Simulation based Surgical Curricula: S. Brien Canada		0900-1030	U22: Panel on DSD: Moderator: D. Diamond - USA
		Prof Sebastian van As: Management of Abdominal Trauma in Childhood					0900-0920	Where are we Going in the Management of DSD? Presenter: E. Cheng - USA
