WELCOME MESSAGE

Dear Friends,

It is a matter of great honour and privilege to organize the prestigious **17th Annual Conference of the Pediatric Endoscopic Surgeons of India** in Banaras Hindu University. The Department of Pediatric Surgery, IMS, BHU has always been in the forefront of academic activity and in this continuum, we will be organizing "**PESICON 2022**".

Varanasi is the oldest living city in the whole world. The city of Varanasi not only outshines the whole world in terms of its spiritual importance but also is the capital of knowledge and learning since time immemorial. This is the city where Sushruta practiced both the art and science of surgery in 600 B.C. and has documented his work in the famous Sushruta Samhita.

The temples of Varanasi, Ghats, and River Ganges and the vibrant university established by Pt. Madan Mohan Malviya Ji are testimony to the fact that visiting to this city is not less than a pilgrimage to the capital of knowledge and learning. We invite you to join us in this annual feast of knowledge, where you can share your experience and interact with the experts. We sincerely hope that you take home pleasant memories of the **PESICON 2022**.

Prof. Ajay Narayan Gangopadhyay
Organizing Chairman

Dr. Vaibhav Pandey
